**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1, 3-14 and 18-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art in the record fails to disclose a CDMA system and method comprising means for detecting an occurrence of a mobile subscriber attempting to originate a call while another party is attempting to call the mobile subscriber; means for generating a message signal in a mobile switching center based on a positive result of said detecting; means for transmitting said message signal to a base station on an IS-634 A-Interface, wherein upon receipt of said message signal, said base station transmits a subsequent message signal to a mobile station on an Air-Interface; means for establishing communication between a first party and said mobile station via said mobile switching center and said base station; means for establishing communication between a second party and said mobile station via said mobile switching center and said base station while putting said first party on hold; and means for generating a Release Message in a network servicing said second party to indicate that the second party is terminating communication with said mobile station, said Release Message transmitted to said mobile switching center, wherein said message signal is generated responsive to receipt of said Release Message by said mobile switching center.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
